Release No. 10.15.18

The Global Brake Safety Council is pleased to announce its newest member, Mr. Adelfio Zanat of ICER Brakes

INFORMATION RELEASE - OCTOBER 15, 2018

"I'm so excited to be joining the GBSC team. I've watched their rapid growth closely and am eager to combine my expertise with their vibrant approach to ensuring brake safety around the world. I am enthusiastic for the future in bringing my passion for project management and seeing collaborative ideas come to life through their strategy and the vast network of minds in the GBSC community of professional engineers, product development, R & D Professionals and thought leaders." states Adelfio.

"We're all very pleased to welcome Adelfio Zanat to the GBSC as a new contributing member," said Scott Lambert, current chairman of the GBSC. "Adelfio brings a wealth of knowledge from an engineering perspective. He comes as a tremendous asset to our council as we are defining safety in the braking industry. He is exactly the person we need in our current growth stage to help us execute on our vision."

About Adelfio Zanat

Adelfio has spent more than 30 years working in the friction material industry. He is currently working in Research and Development, while managing the Technical Department for ICER Brakes. Previously, Adelfio has been involved in product development, dynamometer and car testing. He is also the Chairman of the FEMFM Specialist Committee (Engineering).

About the GBSC

The Global Brake Safety Council (GBSC) was established with the intent to uphold the highest standards for brake safety and is dedicated to responsible manufacturing in the automotive industry. With upwards of 200 years in cumulative experience, this group of technical experts is composed of: professional engineers, OE design engineers, product development, and R&D professionals. This team is committed to raising awareness of issues that are critical to public safety through education. To learn more about the GBSC please link through to our website at:
