

# Information Release

Release No. 10.24.18

---

## The Global Brake Safety Council is pleased to announce its newest member, Mr. Kevin Wolford of AMECA Inc.

---

**INFORMATION RELEASE - OCTOBER 24, 2018**

"I'm unbelievably excited to be joining the GBSC," stated Kevin. "Brakes and the braking system are the most important safety aspects of a car. Good brakes also win races. On the street or on the track, a good braking system is the first step to safety and performance."

The GBSC's current Chairman, Scott Lambert said: "We're thrilled to have Kevin onboard as the newest member of the GBSC. His seasoned leadership skills and deep knowledge of the braking industry make him an incredibly valuable asset to our organization."

### **About Kevin Wolford**

A lifelong car enthusiast – Kevin has owned everything from classic American muscle cars to overstressed imports – Mr. Wolford is a Director with AMECA Inc. His work at AMECA involves understanding the needs of both industry and the safety community. He has an undergraduate degree in mechanical engineering and a Master's degree in marketing from John Hopkins University.

### **About AMECA**

AMECA has long been focused on the braking industry and inherent importance of braking systems. From both a personal interest and our professional commitment to safety we believe that increasing awareness in the importance of brake performance will benefit the entire industry.

### **About the GBSC**

*The Global Brake Safety Council (GBSC) was established with the intent to uphold the highest standards for brake safety and is dedicated to responsible manufacturing in the automotive industry. With upwards of 200 years in cumulative experience, this group of technical experts is composed of: professional engineers, OE design engineers, product development, and R&D professionals. This team is committed to raising awareness of issues that are critical to public safety through education. To learn more about the GBSC please link through to our website at:*
