Release No. 11.05.18

---

## The Global Brake Safety Council is pleased to announce its newest member, Dr. Brian Hearing of BrakeAudit

---

### INFORMATION RELEASE - NOVEMBER 05, 2018

Dr. Brian P. Hearing currently serves as Vice President of Research and Development at BrakeAudit. Prior to BrakeAudit, Dr. Hearing was co-founder of DroneShield (ASX:DRO), a manufacturer of acoustic detection systems. "Our BrakeAudit systems are used by law enforcement, fleet management, eDVIR, autonomous vehicles and platooning," stated Brian. "Our goal is to improve braking safety in vehicles, with a focus on detecting brakes with problems – this falls within the testing mission of GBSC."

Dr. Hearing's career spans nearly two decades in engineering and defense companies and government agencies including the Office of the Director of National Intelligence (ODNI) and the Defense Advanced Research Projects Agency (DARPA). In the private sector he has worked for Raytheon and the Institute for Defense Analyses (IDA). He earned his Doctorate and Masters of Science from the Massachusetts Institute of Technology (MIT), his Bachelors of Science from Rensselaer Polytechnic Institute (RPI), and was also Visiting Researcher at Swiss Federal Laboratories (ETH Zurich). He is the recipient of the Department of Defense Meritorious Service Medal and two National Intelligence Meritorious Unit Citations.

The GBSC's current Chairman, Scott Lambert said: "The GBSC is very fortunate to have Brian, as we are certain that his experience, insight and determination will serve the GBSC well."

### **About the GBSC**

*The Global Brake Safety Council (GBSC) was established with the intent to uphold the highest standards for brake safety and is dedicated to responsible manufacturing in the automotive industry. With upwards of 200 years in cumulative experience, this group of technical experts is composed of: professional engineers, OE design engineers, product development, and R&D professionals. This team is committed to raising awareness of issues that are critical to public safety through education. To learn more about the GBSC please link through to our website at:*
